NETFLIX AND CHILLS

DESIGN, ILLUSTRATION & PRODUCTION

Carefully crafted an immersive experience where you could get your tarot read, auragraph, palm reading and zodiac sign. People learned their Netflix HorrorScope and even got a custom tarot card deck.

COMB & HIVE

DESIGN, ILLUSTRATION & PRODUCTION

Comb & Hive took the oldest beverage on earth and gave it a new taste so naturally they needed a new look. I was responsible for the logo update, package design, branding, illustration, and the photo and video storyboarding and concept.

DESIGN, ILLUSTRATION & PRODUCTION

Oath wanted a small logo update and a big identity revamp. We updated their logo, color palette and gave them a whole new illustration library based on their meat products and what they could become.

BRING HOME A BETTER BACON.

GLITCH BITCH

DESIGN, ILLUSTRATION, MOTION & PRODUCTION

Just a dash of derp, two-parts sass, and an overall fuck-the-man mentality. An apparel and accessories brand with a focus on bright and bold concepts with inspiration derived from a blend of contemporary kitsch and personal quirky charm.

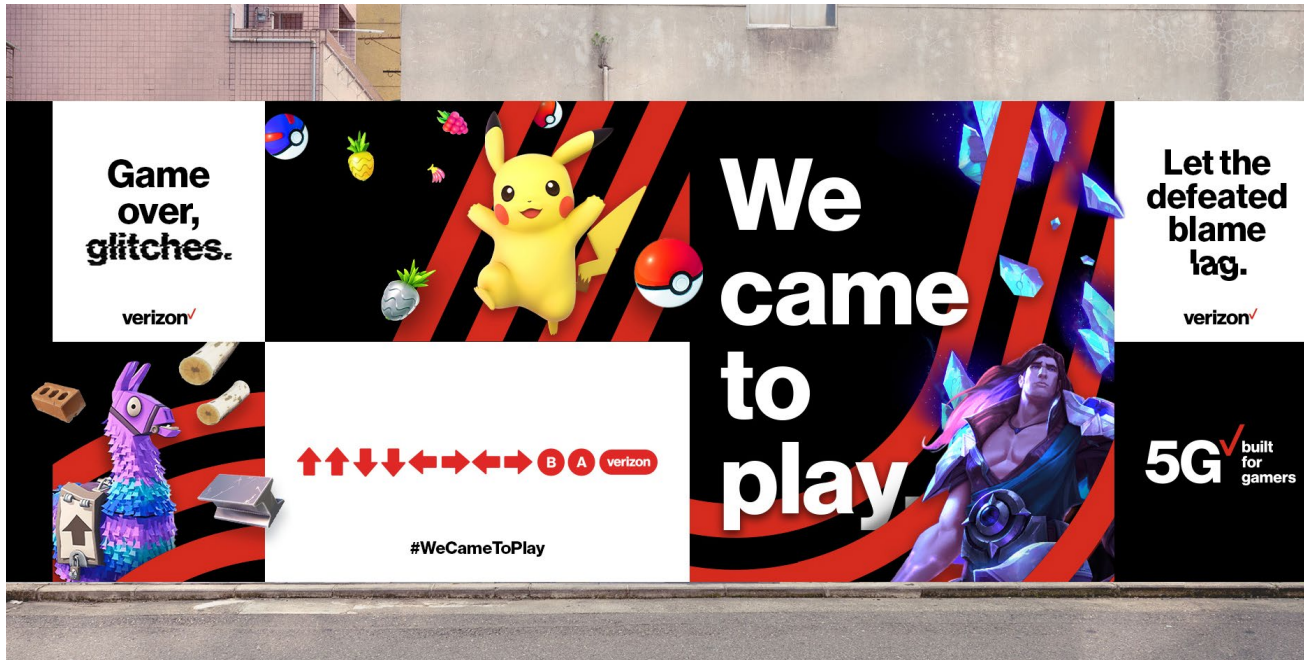

GLITCH BITCH

DESIGN, ILLUSTRATION & MOTION

Verizon wanted to provide gamers with the speed and reliability they needed to level up without lag. We gave them that deep cut knowledge along with some fresh graphics that gave them a respectful push in the right direction for this campaign.

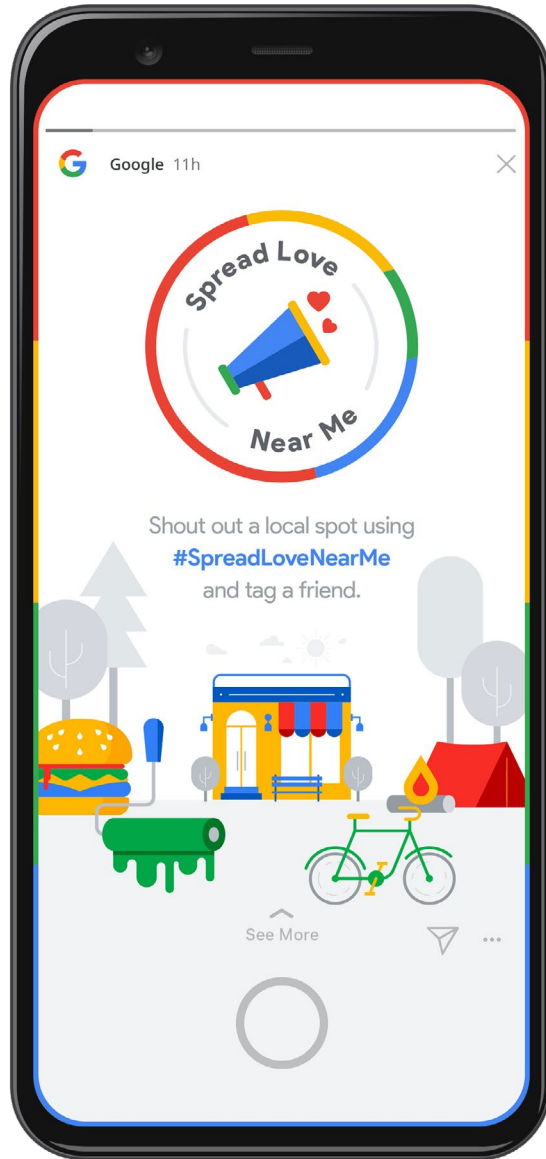

DESIGN & ILLUSTRATION

Google wanted to create a new look for their "Spread Love Near Me" campaign. The goal was to support local businesses in your area so we created graphics and illustrations that stayed true to the brand with a fresh take.

WANDERLUST

DESIGN, ILLUSTRATION & PRODUCTION

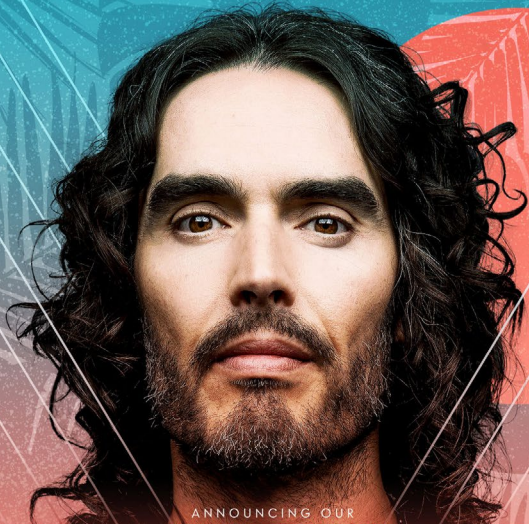

A place where yoga, music and travel came together to give people a unique, mindful and enriching experience. I developed and executed collateral for various email, digital and print ad campaigns, as well as assets for packaging, products, events and experiential activations.
